### Recharger Filter Care Service Kit

- The Recharger completely restores air flow efficiency and makes your Filtercharger perform like new.
- Recharger Kits are available in an aerosol spray or squeeze bottle versions.

**Aerosol Kit Includes:** 6-1/2 oz. Spray and 12 oz Filter Cleaner

**Spray Kit Includes:** 12 oz. Squeeze Oil and 12 oz. Filter Cleaner

### Air Filter Cleaner and Degreaser

- Filter cleaner and degreaser is specially formulated to clean K&N Filter charger elements.
- Works to dissolve the dirt build up and old filter oil, and can be washed away with water.
- Completely bio-degradable and safe on paint, chrome, cast aluminum, plastic, rubber, and vinyl when instructions are properly followed.
- The use of any other cleaning solution can void the filter's warranty or possibly damage the cotton material.

### FILTER CHARGER OIL

- K&N Air Filter Oil is specially formulated to work in combination with the special cotton fibers in the K&N Filter charger.
- When used properly the oil quickly soaks into the filter pleats and remains suspended in the cotton fabric.
- Saturation is kept until the filter is cleaned.

#### Recharger Filter Care Service Kit

## PRECHARGER

Specially designed filter wrap made to extend the service interval of your K&N Air Filter when used in severe conditions. Made from durable polyester material containing uniform micron openings, the PreCharger® will stop small dirt particles, yet adds little restriction to the airflow of your filter.

- Feature double stitched elastic openings secures in place.
- Custom fit to each application.
- DryChargers® are the same as a Pre-Charger® except are water repellent.

## K&N POWER LIDS

- Replaces Stock Airbox Lid. Snaps In Place, No Airbox Modification Needed.
- Adds Increased Airflow For More Horsepower.
- POWERLID® Uses K&N Washable And Reusable Filter Technology.
- Carburetor Jet Selection Kit Included If Required.
- All POWERLID® Kits Include A "Precharges"® Wrap.
- Dyno tested
