

SUBMARINE SNORKEL

SUBMARINE SNORKEL'S

- Submarine snorkel kits are without a doubt the highest quality snorkel on the market today.
- Tested and proven, these snorkel kits are not released until they have been used and abused by Team Submarine in the worst conditions found in southern Louisiana, Mississippi, Texas, and Alabama.
- All snorkel kits are designed with performance in mind, meaning you will NOT lose power with a Submarine Snorkel kit.
- Dyno tests have proven that properly designed snorkel kits increase airflow and give you MORE POWER.
- Gains of 4.5hp have been realized on some models.
- Gives you added level of protection against water entering the atv.
- Better, increased air flow means more power.
- Mean looking screams you're on a serious mud machine.
- An included steel crash plates prevents underbody snorkel damage in the event of an accident.
- You WILL have to cut the plastics to allow for the snorkels.
- Any snorkel kit WILL void the warranty on the atv. (this depends on your dealer)
- Needs to be installed by a professional.
- All snorkels are pre-assembled to exacting tolerances allowing for precise installations that will only fit one way.
- All hardware is included along with detailed, picture filled instructions.
